2. The formal tasking should arrive today. In the meantime we have begun work on the four papers assigned to CIA:

25X1

The first three are due January 22nd and the last is due January 27th.

3. An NSC meeting on this subject is tentatively scheduled for February 4th. If that holds, they plan to distribute the papers to the principals on February 2nd. In that case, there will be a meeting on 28 January of either the Working Group or the Task Force to review the papers.
